### Great News

Our next major project is to build 2 new floors on top of Topcats HQ. However, to complete this we have been advised we will need an

**'all psi roof'**

so if anyone knows where we can get one from please get in touch.

We are always looking at ways to raise the profile of Topcats around the Town and build relationships, so, we have now started inviting other groups and organisations if they'd like to come in and join us for lunch on occasional Fridays, so we can show them around. Our first lunch was with the 'Mens Shed', and here are the guys 'posing' outside our front door. I think they all enjoyed themselves, and I hope they've gone away with a little more knowledge on what happens here at Topcats.

**TOPCATS**

Trolley Tokens

**£1.00 each**

Topcats have just taken receipt of a fantastic Smartscreen for our Music Room. It's an Interactive, all-singing, all-dancing bit of equipment that all the groups will benefit from as it is on an electronic hoist that allows us to raise and lower the screen to suit the Young Person using it at the time. This is just another addition in the re-development of Topcats. Thanks to **Toyota, Ganzoni Trust, Greggs, Kirkley Poors** and **Morrisons** for making the Music Room a reality.

## Pasta Making

At Topcats we encourage the Young People to participate in as many different projects and activities as possible, so here are some pics of Craig and Emily making their own Tagliatelle Pasta...gone are the days of playing with beads and crayons at Topcats.

Our 'Choices' group have been attending a first aid course at 'East Point Scuba' for the last 6 weeks and these guys have all been successful in achieving their Basic First Aid qualification. Well done to Lewis, Ruth, Ethan, Ashley, Emily, Elisa, Gary and Mat. Great job everyone, and Special thanks to Patty Webb for your time in helping the Young People complete their awards.

We are desperately trying to raise funds for a Topcats minibus like this, so we are wondering if any businesses would be willing to 'sponsor' us a one-off payment of a £1000, and for this you can have your business name/ logo advertised on the Minibus. The bus will be driven around Lowestoft and surrounding areas 6 days of the week, so any businesses taking up this offer will get plenty of coverage.

'The Birds Eye Employees Charities Fund' have very kindly donated £100 towards our mini-bus fund.

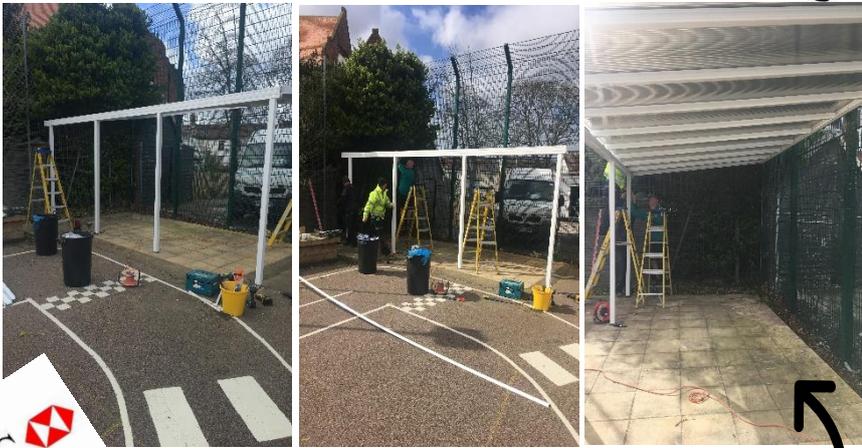

Thank you to all of Birds Eye Lowestoft employees!!

Anyone interested please contact -; [stewart@topcats.org.uk](mailto:stewart@topcats.org.uk)

Thanks go to-; Jay Lane Garden Centre, Lound for supplying us with compost at a reduced price, and for providing us with seeds, pots and seed trays for our Polytunnel and gardening projects.

Please visit Jay lane Garden Centre, NR32 5LH for all your gardening requirements.

Our good friends at Polycastle (Lowestoft) have just finished installing our brand-new car port/shelter for our hardcourt area. It looks fantastic and will be a great place for the Young People to eat their lunches etc in the warmer weather. Thank You to all at Polycastle for your continued support!! P.S... Watch this space for news of more windows we're having fitted in the new music room!! Massive thanks to HSBC for funding this project.

**Price Increase**  
Please be aware that due to the rise in minimum wage, we have no choice but to enforce a slight increase in our price structure/ fees as of the 1<sup>st</sup> May 2019.
