

Thank You!!

Two of the Topcats Trustees have resigned from their positions due to personal reasons.

Topcats Board, Management, Staff and Young People would like to thank both Sharon Tejada-Jiminez, and Steve Bunn for everything they have done for the Charity over the last few years, and we would like to wish you all the very best for the future.

Great News

In the June edition of our Newsletter we told you all about a grant we've been fortunate to receive of £4226.26 from 'The Fonnereau Trust' to establish the new Saturday 'Progress Group', well, the news just gets better.....we have also just been sent a cheque from another organization, 'The Bailey Thomas Charitable Fund' have kindly donated the sum of £3607.96 to also go towards setting up this new group.

Everybody at Topcats would like to say a massive **Thank You** to both organisations for their generosity!!

The exciting new 'Progress Group' will begin later in the year, so watch this space!!

Our lovely friends from 'Inspire Suffolk' (The Princes Trust Programme) have done a fantastic job clearing up our outside area. They spent the day removing weeds and sweeping up all the leaves in the car park.

Topcats would like to thank Stacey and all the guys who came along for all their hard work!!
